Viewing tip -

All columns can be sorted in both Award Summary and Project Summary. For example, to display your awards or projects by end date click End Date once to sort by oldest end date. Click again to sort by the end date furthest in the future.

Efficiency tip -

The Award Notes on the Details tab of both Award Summary and Project Summary are free form text boxes used to make note of specifics related to the award. Contact your Post Award Administrator to added anything you would like noted.
