AUDIT POLICY, continued

College of Law Students
(1) No charge is made for courses audited during a fall or spring semester in which the student is registered as a full-time student (12 or more credits exclusive of audit courses).
(2) Students registered for fewer than 12 credits will be charged 60 percent of the law tuition rate for courses audited.

WINTERLUDE
Winterlude classes are condensed online classes held between the fall and spring semesters.

Important Note: The cost of a Winterlude course is separate and in addition to any tuition costs you may incur in the traditional spring term. For example, if as an undergraduate, you register for 12 to 19 hours in the spring, you will be charged our published flat rate of tuition plus the additional prevailing cost for the Winterlude course. Winterlude classes are not covered by the Prepaid Tuition Plan. If you have questions, call the Bursar’s Office at 315.443.2444 or email bursar@syr.edu.

Dropping a Winterlude Class
Winterlude classes have unique deadlines that do not follow the published official term deadlines for spring 2021 classes. You will have access to drop these classes online. Drop deadlines are available by consulting MySlice > My Class Schedule or View Financial Deadlines after you have registered.

SYRACUSE UNIVERSITY STUDENTS REGISTERED FOR COURSES AT SUNY ESF OR SUNY UPSTATE MEDICAL UNIVERSITY
Syracuse University students who enroll in course(s) offered by either of these state institutions during the fall or spring semester will be billed by Syracuse University and are subject to Syracuse University tuition rates and fees as detailed in this publication. If you have additional questions, please call the Bursar’s Office at 315.443.2444.

FLEXIBLE FORMAT CLASSES
Syracuse University matriculated and non-matriculated students may take flexible format classes to fulfill program requirements. Flexible format classes offer alternatives and convenience, allowing choices about where, when and how your learning occurs. The financial deadline for each class may be viewed online. Students are advised to pay close attention to these deadlines when you enroll for these courses. While they have the same academic standards and expectations as regular traditional semester courses, flexible format courses:
- Do not coincide with the designated meeting patterns associated with the University's published official terms; and
- Have unique academic and financial deadlines.

OVERLOAD RATE EXCEPTION (20 CREDITS OR MORE)
Renée Crown University Honors Program
Honors Program students in good standing who register for more than 19 credits in a given semester will not be charged for additional (over 19) credits if they meet the following criteria: (a) a cumulative GPA of 3.5 or higher at the beginning of the semester for which the overload was approved and (b) no outstanding incomplete grades.

Juniors and Seniors
Juniors and seniors who receive permission from their school or college to carry a credit overload may request not to be charged for additional credits (over 19) if they meet the following criteria: (a) a cumulative GPA of 3.5 or higher at the beginning of the semester for which the overload was approved, (b) no outstanding incomplete grades, and (c) registration as a full-time student at Syracuse University for two previous semesters. A copy of the petition approving the overload must be presented to Bursar Operations, where the determination of eligibility for this rate exception will be made. No exceptions will be made on this policy.

RATE EXCEPTION (LAST SEMESTER SENIOR)
Undergraduates enrolled in a four-year program who have completed eight regular semesters of academic work as full-time students on main campus and who have 11 or fewer credits to complete toward their bachelor’s degree may petition through the dean of their home college to take these credits during their last semester at the University College tuition rate.

Undergraduates enrolled in a five-year program must have completed 10 regular semesters of academic work as full-time students on main campus to qualify for the rate exception.

Students who are able to complete their degree requirements in fewer than 8 or 10 regular semesters, e.g., due to increased course loads per semester or course work completed during summer, are not eligible for this rate exception.

* Fall and spring semesters

SATISFACTORY ACADEMIC PROGRESS FOR GOVERNMENT-SPONSORED AND UNIVERSITY FINANCIAL AID
The policy on satisfactory academic progress for government-sponsored and University financial aid is available on the “Policies” page of the Office of Financial Aid and Scholarship Programs website, syracuse.edu/admissions/cost-and-aid/policies/.

ACADEMIC FULL-TIME STATUS
Undergraduate Students
Registration for 12 or more credit hours confers full-time academic status on an undergraduate student during any semester (fall, spring and summer). Engineering and Computer Science students registered in the cooperative education program for 0 hours in semesters when they are on work assignments are considered to be full-time.

Graduate Students
A graduate student is considered full-time when:
(1) Registered for full-time study (9 credits in the fall, spring or summer in a program approved by the student’s advisor), or
(2) Holding an appointment as a graduate assistant or fellow and registered for the semester (fall or spring only).
(3) Registered for fewer than 9 credits, but at least for 0 credits of thesis, dissertation or degree in progress, and engaged, at a level equivalent to full-time study, in one or more of the following activities, as appropriate and certified by the student’s program:
- Studying for preliminary, qualifying or comprehensive exams;
- Studying for a language or tool requirement;
- Actively working on a dissertation or thesis;
- An internship

College of Law Students
Registration for 12 or more credits (9 or more credits for LL.M. students) confers full-time status on a law student during a fall or spring semester.

In the case of students matriculated in joint degree programs, one of which is the J.D. degree, this requirement for full-time status takes precedence over the 9-credit criterion for full-time status as stated in (1) above.

ALTERNATIVE EDUCATION AND SERVICE FORMAT
When necessary to protect the health and safety of students, faculty and staff, as determined by Syracuse University in its sole discretion, the University reserves the right to alter (a) the academic schedule, location and modality of instructional and learning activities, and academic terms and requirements (including content and grading) of undergraduate, graduate and doctoral programs and instruction; and (b) the schedule, location, availability and format of services, activities, and experiences offered to students. Students shall not be entitled to refunds or offsets of tuition, fees, or other costs of attendance where the University exercises such discretion, except to the extent permitted by the University’s published refund policies set forth below in this document.
Payment Policies

All charges must be paid in full on the date established by the University for each semester. The only exception to this policy is for students enrolled in the Monthly Payment Plan.

All University billing is done electronically. Students will receive an email once each bill is available. Parents/guardians can view bills once access is shared through the “Share My Access” feature in MySlice by the student. For information on using Share My Access and a current billing schedule, please visit the Bursar’s Office website at www.bursar.syr.edu.

Payment may be made electronically through the use of various options detailed on the Bursar’s Office website at bursar.syr.edu. In addition, payment may be made by check. Clearly indicate the student’s University I.D. number on the check. Checks must be in U.S. dollars, drawn on a U.S. bank. In the event that checks are not drawn on a U.S. bank and/or not payable in U.S. funds, the student account will be credited for the dollar value of the check, and will be charged for any unavoidable service charges incurred while processing the payment. No two-party checks will be accepted as payment for any University financial obligation. Postdated checks will not be accepted or held.

It is the responsibility of the student who is receiving financial aid from any source to ensure that the financial aid is available at the time of registration.

Undergraduate Students - Main Campus
All charges must be paid in full on or before July 17 for the fall semester and on or before Nov. 27 for the spring semester.

Graduate, LL.M. and Part-Time Law Students
All charges must be paid by the due date per the billing statement available in September for fall and February for spring.

Full-Time College of Law Students
All charges must be paid in full on or before July 17 for the fall semester and on or before Nov. 27 for the spring semester.

Monthly Payment Plan
The Monthly Payment Plan is available to all main campus undergraduates, graduates, law students and students registered through Syracuse Abroad. SUNY College of Environmental Science and Forestry students may use the plan for meal plan charges. There is an annual nonrefundable application fee of $75 for participation in the plan.

The total charges for each semester must be paid in monthly installments that will be recalculated based on account activity.

If participating in this plan for the fall semester, the fall semester charges must be paid in full by Oct. 30. If participating in this plan for spring, charges must be paid in full by April 30. Graduate students’ payment plans are a three-month duration with the first bill for fall sent in September and the first bill for spring available in January.

Payment plan billing begins in June for fall semester and in November for spring semester. Students desiring to use the Monthly Payment Plan are encouraged to sign up as soon as possible to realize the maximum number of months over which to pay the balance due. A Monthly Payment Plan application must be completed each year.

There is no interest charge or finance charge (zero percent annual percentage rate) imposed for use of the Monthly Payment Plan. The application fee of $75 will be billed to the student and included in the schedule of payments. Application forms for this plan may be obtained from Bursar Operations at bursar.syr.edu.

Continued participation in the Monthly Payment Plan is contingent upon a satisfactory payment history. Syracuse University reserves the right to deny continued participation to anyone who has previously not complied with the terms of the monthly payment plan billing schedule.

Online graduate students can email bursarsuonline@syr.edu for payment options.

Prepaid Tuition Plan
The University’s Prepaid Tuition Plan allows first-year students to prepay eight consecutive semesters—four fall and four spring (summer semester and Winterlude are not included), thereby locking in the rate of tuition in effect at the time of the plan’s initiation. Payment must be received by July 1, prior to the student beginning their first year. This plan is available only to full-time Main Campus undergraduate students awarded less than $8,000 per year in institutional aid.

We always recommend discussing this plan with your tax advisor. For a copy of the Prepaid Tuition Plan Agreement that governs this plan, please contact the Bursar’s Office: Bursar’s Office, Syracuse University, 119 Bowne Hall, Syracuse NY 13244; 315.443.2444; or bursar@syr.edu.

Financial Hold and Registration Eligibility

A financial hold results when financial obligations, billed by the University, have not been satisfied by the due date indicated on the billing statement. A financial hold can be the result of a past due balance for tuition, room, meal plan and fees; University bookstore charges; fines assessed by the library or parking services, or any department within Syracuse University where a charge has been incurred.

A financial hold condition prohibits a student’s eligibility to participate in the registration process or to receive a transcript or diploma.

Undergraduate students who registered in April for their fall courses and law students who matriculated prior to June 12 will have to pay their fall bill on or before July 17 in order to secure their class schedules. Students who are on the Monthly Payment Plan must be current with their monthly payments in order to secure their class schedules.

Entering undergraduate students who registered over the summer must have their fall semester bills paid on or before July 17, or be current on the Monthly Payment Plan in order to secure their class schedules. If payment is not received on or before July 17, the course schedule may be canceled meaning the student may have to re-register when he/she arrives on campus in August.

To avoid financial hold, please pay all University bills by the due date noted on the electronic billing statements. Monthly Payment Plan participants should make sure that payments are received no later than the due date of their monthly statement. Please keep e-mail addresses up-to-date for third parties who have been designated to receive e-bill notification.

Any registration without a complete payment arrangement will result in cancellation of the student’s entire class schedule.

A student whose registration schedule is canceled due to a financial hold may be closed out of the classes for which he/she had previously registered. A $50 late registration fee may be imposed.

Students may grant third-party access to their student account through MySlice.syr.edu. Third-party access must be set up for anyone along with the student to receive E-bill notification. Syracuse University is exclusively an e-billing institution.

Penalties

The University reserves the right to deny admission or registration to any person who has not paid in full, and in good funds, the entire obligation to the University in accordance with this publication and/or the terms of the obligation. In any such case, the University may, at its sole discretion, take the following action(s): (1) refuse to admit or register the student; (2) cancel the student’s registration; (3) bar the student from attending classes; (4) remove the student from University housing; and/or (5) withhold the student’s transcript and diploma. All such remedies shall be cumulative and exist in addition to any other rights that the University may have to collect the amount due.

Returned Checks

Checks or EFT payments returned to Syracuse University for insufficient funds are treated as a past due balance and assessed an additional fee in the amount of $25. Any payment returned for insufficient funds will be placed on financial hold and would require payment be replaced in certified funds.

Late Fee

The University reserves the right to assess a late payment fee. When the unpaid balance due for the semester is $499.99 or less, the late fee is $85; when the unpaid balance due for the semester is $500 or more, the late fee is $120.
Fees

Student Activity Fee
The student activity fee is a mandatory fee for Main Campus and English Language Institute students that is collected by the University on behalf of such student governing bodies as Student Association, Graduate Student Organization, and Law Student Bar Association. This money is then allocated by the student governing bodies to a large number of campus organizations to support their activities and services. The full-time undergraduate (registered for 12 or more credits) fee includes the $6 per year refundable NYPIRG fee. See the following section on the NYPIRG fee.

Health and Wellness Fee
Per semester ................................................................. $391

The health and wellness fee is a mandatory fee that supports a comprehensive array of health and wellness services and programs for students provided by the Counseling Center, Health Promotion, and Health Services. Students can receive services and programs, including individual and group counseling, case management, crisis intervention, and primary and women's health care services, offered by these departments during the semester for which the fee was paid. Other covered health-related services include University ambulance services, medical transport services, flu shots, nutrition counseling, and short-term psychiatric assessment and intervention.

The health and wellness fee also contributes to other health and wellness promotion programming focused on keeping students safe and healthy and enhancing their overall coping skills and social-emotional development. The health and wellness fee is a mandatory fee for full-time undergraduate students, College of Law students registered for 12 or more credits, and graduate students registered for 9 or more credits. Graduate students who have appointments as graduate assistants, graduate associates and graduate fellows are assessed the fee but may have part or all of the fee remitted as part of their appointment.

Syracuse University requires all full-time matriculated undergraduate, graduate and law students to have current health care coverage provided by a U.S.-based insurer that is compliant with all aspects of the Affordable Care Act. The plan must provide comprehensive coverage for emergency and nonemergency services in the Syracuse area. The student health insurance plan can be waived if the student can provide proof of qualifying insurance coverage. Health insurance plans help to offset costs of services not covered by the health and wellness fee. Insurance provides students with access to medical services beyond Health Services, including hospitalization, surgery, diagnostics, physician/specialist care along with prescriptions and other special ancillary services.

The fee encourages students to enroll in courses on a continuous basis so that they complete their degree programs expeditiously, and offsets costs related to faculty assistance and interaction.

The fee is determined by multiplying $500 by the number of semesters (after four) of enrolling in GRD 998 plus the number of inactive (not enrolled) semesters. For students who are inactive for more than four semesters, a $500 fee will be charged for each fall and spring semester a student was not enrolled in GRD 998 Degree in Progress.

**Athletic Activity Admission Fees**
Special prices for admission to University athletic contests and events are extended to full-time Syracuse University and SUNY College of Environmental Science and Forestry students.

For purposes of athletic admission, full-time status is determined by the same criteria that determine "academic full-time status," which is explained on pg. 5 of this publication. Admission to any athletic event by using a student ticket is contingent upon providing a valid mobile ticket for scanning validation at Gate F at time of admission. Spouses and dependent children purchasing tickets through a qualified student must have an I.D. card made at the I.D. card office and a separate MyCuse account to purchase student tickets.

The Syracuse University Athletic Department reserves the right to refuse admission to any party failing to present proper identification.
Athletic Activity Admission Fees, continued

Student season tickets are nontransferable. Resale of tickets to individuals ineligible for their use may result in disciplinary proceedings against the student as well as suspension of all admission privileges extended to the original ticket holder.

Football Season Tickets
Each full-time, main campus student currently registered at one of the institutions indicated may purchase a season ticket for all the home football games.

Spouses and dependent children of qualified students may also purchase football season tickets at the student ticket price with a valid Syracuse University I.D. card. I.D. cards for spouses and dependent children may be obtained through the I.D. card office in Steele Hall. Dependents wishing to avail themselves of the student ticket privileges should obtain their I.D. cards immediately after registration to allow time for processing of the cards.

The SU student season ticket seating area on the lower level is a modified general admission area. SU Student football season ticket holders wishing to sit in this area on game day must report to Gate F of the Dome to enter the facility. Presentation of the student’s mobile ticket for scanning validation is required, upon which they will receive a wristband for seating in that area. Student seating in the general admission area is first-come, first-served. Once the lower level student area is full, any later arriving students will be required to sit in the third level student seating area.

Men's Basketball Season Tickets
The student basketball season ticket package includes one ticket to each of the regular season home games. Due to the timing of this publication, the exact number of games to be included in the men's basketball season package is not known.

The same general rules and guidelines that apply to the sale of student football tickets also apply to the sale of student tickets for men's basketball.

Women's Basketball, Men's Lacrosse and Women's Lacrosse Tickets
Syracuse University students can enter any home women's basketball, men's lacrosse or men's lacrosse game free-of-charge by displaying their valid SU I.D. card at any open Dome entrance. All student seating for women's basketball and men's and women's lacrosse is general admission.

Syracuse University students can attend free-of-charge any home Syracuse University athletic contest that takes place at a campus venue other than the Dome by displaying their valid SU I.D. card at the time of entry.

**Residential Internet and Cable Access Service Fee**

The residential Internet and cable access service fee is a mandatory fee for all who sign a Syracuse University housing contract. The fee provides a broad range of telecommunication and network services in University residence halls, including high-speed Internet (wired and wireless networks) and cable television services in students’ rooms and common areas. Any refunds will follow the same refund schedule used for University housing.

### Housing Advance

All returning single students applying for space in University housing must make a $450 housing advance payment to the Bursar Operations Office. New students must complete an on-line Housing and Meal Plan Application with the required housing advance payment after acceptance to the University. A full refund of the deposit will be processed through July 1 for undergraduate students for cancellation of housing for reasons of withdrawal from the University, academic disqualification, attendance at an off-campus academic program, or medical leave of absence. After July 1 for undergraduate students, refunds will be processed for students who leave the University involuntarily for reasons such as academic dismissal or medical leave. Students not obligated to the University’s two-year housing requirement who select rooms during the lottery process may cancel their assignment online to reside off campus or commute from home through May 1, 2020, and will be charged a $450 cancellation fee. After May 1, 2020, the academic year housing commitment is financially binding regardless of class standing unless the student withdraws from the University. Students not in attendance on the main campus for the fall semester are governed by housing deposit policies stated previously.

### Residency Requirement Fee

Syracuse University requires students to reside in University housing during their first two years of enrollment, regardless of class standing. Students will be financially responsible for the cost of University housing attributable to the mandatory periods, even if they fail to occupy University housing as required. This fee will be charged on a semester basis and will equal the cost of a South Campus two-bedroom apartment.

### Room Change Charges

Adjustments to charges as a result of a room change during the semester are computed on a weekly prorated basis.

### Damage Charges

All charges for damage to University property assessed by the Housing Office are to be paid to Bursar Operations. Charges will appear on the billing statement from Bursar Operations.

### Terms and Conditions

Housing at Syracuse University is conditioned upon agreement to the rights, obligations and responsibilities set forth in the **Terms and Conditions of Student Housing**.

### Termination

Terms of cancellation are described in the publication **Terms and Conditions of Student Housing**. The University reserves the right to evict students who do not comply with **Terms and Conditions of Student Housing**.

All undergraduate students living in North Campus University housing, and students residing in the Skyhalls are required to be on a University meal plan. Meal plan options are based on the student’s class standing. Meal plans are arranged on a semester basis, and unless changed, the plan selected for the fall semester will be automatically reinstated for the spring semester.

No refund or reimbursement will be made for the unused portion of any meal plan. Food accounts carryover from fall semester to spring semester, but must be used in full by the end of the spring semester; there are no refunds of unused SUpercard Food accounts.

All meal plans entitle the student to enter a dining center during the hours scheduled for a meal. University College

During the fall and spring, UC serves matriculated part-time as well as all non-matriculated and non-credit students.

Students may elect to audit a course at 60 percent of the full tuition rate (see exceptions below). Students will register for credit at the time of registration. Students who submit a completed Grading Option Application to the University College Bursar and Registration Office by the elect/rescind grading option deadline of the class will have the registration changed to audit.

Senior citizens, who are 65 or older by the first day of the term, may be eligible to pay one-third of the regular tuition for some UC credit courses on a space-available basis. Registration rules differ from regular registration and the discount does not apply to courses with limited space or those requiring extensive individualized instruction. Contact the UC Bursar/Registration Office.

Charges for non-credit courses and programs vary. Contact the program website or program director for exact rates.

University College non-matriculated graduate students may take undergraduate courses at the undergraduate tuition rate. Graduate students taking a 500-level class for undergraduate credit, or electing to audit a 500-level or undergraduate level class may do so with appropriate approvals and required paperwork, and pay the appropriate undergraduate tuition rate.

INTRA-UNIVERSITY TRANSFER TO UC
Matriculated undergraduate students may not transfer to University College from another school or college. Full-time students who register on the main campus for a University College course are charged main campus tuition and fees rates.

No student may transfer from main campus to University College to enroll in a non-credit course. Full-time students on the main campus must register separately at University College for these courses and pay the non-credit tuition in full.

Undergraduate students may not transfer to University College part-time status for the summer.

Student Deferred Payment Plan

UNIVERSITY COLLEGE STUDENTS—SUMMER
All students who choose Student Deferred Payment Plan register online and must sign a promissory note and pay 25 percent of the total anticipated tuition charges plus fees at the time of registration. The balance is due in one installment on the invoice due date. Students will be billed on the first invoice date immediately following registration. Since summer billing is scheduled to begin on the Friday of the first summer session, students who choose to register just before the session begins may find that the posting of the down payment and invoice production overlap. In addition, students who early register for the second summer session will be billed and have payment due prior to the beginning of that session.

UNIVERSITY COLLEGE STUDENTS—FALL/SPRING
All students who choose Student Deferred Payment Plan register online and must sign the promissory note and pay 25 percent of the total tuition charges plus all fees. The balance is due in three equal monthly installments on the invoice due dates.

Continued participation in Student Deferred Payment Plan is contingent upon a satisfactory payment history. Syracuse University reserves the right to deny continued participation to anyone who has not complied previously with the terms of the promissory note.

Employer Tuition Reimbursement Plan

FOR UNIVERSITY COLLEGE
Students whose employers reimburse tuition only after courses are completed may request that their tuition payments be deferred until approximately 21 days after the semester ends. Specific rules apply regarding classes in the Eight week, Flex short, Flex long, Maymester and Winterlude sessions. Refer to the application for rules and exclusions.

The Employer Tuition Reimbursement must be signed by the company representative and submitted to UC bursar registration within 7 business days of registering. Failure to do so may result in cancellation of your registration.

Students are billed and are responsible to pay by the billing invoice due date. Non-reimbursement from your employer for any reason by the invoice due date will not result in an extension to that date. It will also result in a late payment fee and denied participation in the plan for future terms. See the section “Penalties, Late Fee” on pg. 6.

Continued participation in the Employer Tuition Reimbursement Program is contingent upon a satisfactory payment history. Syracuse University reserves the right to deny continued participation to anyone who has not complied previously with the terms of this program.

These students may use TAP funds to pay any additional tuition charges incurred that are not covered by their tuition scholarship. Applicants for the SU Tuition Waiver Program are required to apply in a timely fashion for a New York State TAP award each year benefits are being used. An exemption from the New York State TAP award is available if certain income or residency requirements are satisfied. For more information on the New York State TAP award exemption filing process, please contact the University’s Bursar Office New York State Awards Coordinator at 315.443.5346. Failure to apply for a New York State TAP award or satisfy the exemption requirements will result in a $1,000 reduction of the waiver ($500 each semester). All New York State awards and minimum award amounts are subject to change or elimination pending New York State legislation.

The New York State Higher Education Services Corporation also administers various scholarship and fellowship programs for undergraduates and graduates. The eligibility requirements for these programs are the same as for TAP grants, with the exception of income limitations. These programs may also have unique requirements that must be met.

Additional information is available at the Syracuse University Bursar Operations Office, 119 Bowne Hall, or contact New York State Higher Education Services Corporation, 99 Washington Avenue, Albany NY 12255; by phone at 1.888.697.4372; or by visiting their website at hesc.ny.gov.

Remitted Tuition Benefits

Eligibility

The awarding of Remitted Tuition is administered by the Office of Human Resources. Remitted Tuition provides credit hours for eligible employees and their spouses/same sex domestic partners for undergraduate and graduate study at Syracuse University or University College. Employees using Remitted Tuition benefits for themselves receive a full tuition waiver. Employees’ spouses or same-sex domestic partners who receive benefits transferred from an employee will receive a tuition waiver of 85 percent. For more information on tuition credit use, availability and expiration, please view the Human Resources website: http://humanresources.syr.edu/benefits/tuition-benefits-overview/remitted-tuition-benefits/ or contact the Office of Human Resources at 315.443.4042.

Remitted Tuition Taxation

Below you will find the current tax rules relating to a remitted tuition benefit (RTB). As with all tax rules, these are subject to change by the U.S. Congress. In the event that the tax rules change, the new rules will be posted on the Comptroller’s website at http://comptroller.syr.edu when they become available from the Internal Revenue Service.

RTB used by an eligible University employee for qualifying graduate-level courses is tax free up to $5,250 per calendar year. (This tax free treatment assumes the applicable requirements of the Syracuse University Educational Assistance Plan have been satisfied.)

RTB used by an eligible employee for graduate-level courses in excess of the annual $5,250 limit is generally taxable to the employee, and subject to tax withholding by the University at the time the benefit is used. Internal Revenue Service regulations and applicable court decisions set forth circumstances under which graduate-level courses in excess of the annual $5,250 limit taken by eligible employees using RTB may be non-taxable.

RTB used by the spouse of an eligible University employee for graduate-level courses generally is taxable to the employee, and subject to tax withholding at the time the benefit is used.

RTB used by an eligible University employee or the spouse of an eligible University employee for undergraduate courses generally is tax free.

RTB used by the same-sex domestic partner of a University employee for undergraduate and/or graduate level courses generally is taxable to the employee, and subject to tax withholding at the time the benefit is used.

For questions relating to the taxation of RTB, contact the Payroll Office at 315.443.4042, extension 2.

Cooperating Agencies

Cooperating agencies that provide field instruction for Syracuse University students receive tuition credits. Each agency authorizes those individuals who are eligible to use tuition credits in accordance with the agency’s contractual agreement with the University.

Tuition credits are not available for use until the semester following the term in which field instruction was provided and may not be applied retroactively to tuition charges incurred during a previous semester. Unused credits are forfeited if not used before or during the semester of expiration.

Outside agency tuition credits may be used in conjunction with any benefits that an individual may be eligible for as a spouse of a University employee.

Determination of taxability, as well as any actual tax withholding, is the responsibility of the agency that authorizes the use of tuition credits.

NOTE: Individuals using Outside Agency tuition credits should have their agencies submit the appropriate authorization forms to Special Programs, Bursar Office, at least two weeks prior to registration.

SUNY ESF, Hendricks Chapel, ROTC, and cooperating agencies must contact the Bursar Operations Office at 315.443.5115 for assistance with the use of outside agency credits.

Tuition Assistance Program aid is calculated and awarded based on student income and, if applicable, parental or spousal income, as reported on New York State income tax returns.

Upon completing a financial aid application (FAFSA), available at studentaid.gov, a direct link to the New York State Tuition Assistance Program (TAP) application is automatically available. Higher Education Services Corporation will mail a request for information to the student if any further information is required. The student must complete the request for information for determination of a TAP award.

A student may receive a New York State TAP grant, provided he or she meets the following:

1. is a resident of New York State for one year immediately preceding the term for which aid is requested and has established permanent residence;
2. is a citizen of the United States or permanent resident alien or a paroled refugee;
3. is a matriculated full-time student (12 credit hours or more per state requirement) in an approved program of study (courses taken for audit and certain credit courses that are being repeated may not count toward full-time eligibility for TAP certification);
4. meets program pursuit requirements and maintains satisfactory academic progress. For further details, view the “Policies” section of the Office of Financial Aid and Scholarship Program’s website, financialaid.syr.edu/policies;
5. after receiving four semesters of TAP aid, undergraduates must have a cumulative C (2.0) average to receive the fifth and subsequent payments of TAP;
6. has officially declared a major program of study prior to the first day of classes of the junior year (junior status is defined as having earned 60 credits);
7. does not exceed the New York State net taxable income eligibility guidelines.
8. effective for the 2007-08 academic year and thereafter, TAP is available for students attending SUNY, CUNY and not-for-profit independent degree-granting colleges on a part-time basis. To be eligible for Part-time TAP, you must have been a first-time freshman in the 2006-07 academic year or thereafter, have earned 12 credits or more in each of two consecutive semesters, and maintain a “C” average.

Tuition assistance funds may be used only toward tuition. Students who are New York State residents and are recipients of the SU Tuition Waiver Program are required to apply for TAP awards. These students may use TAP funds to pay any additional tuition charges incurred that are not covered by their tuition scholarship. Applicants for the SU Tuition Waiver Program are required to apply in a timely fashion for a New York State TAP award each year benefits are being used. An exemption from the New York State TAP award is available if certain income or residency requirements are satisfied. For more information on the New York State TAP award exemption filing process, please contact the University’s Bursar Office New York State Awards Coordinator at 315.443.5346. Failure to apply for a New York State TAP award or satisfy the exemption requirements will result in a $1,000 reduction of the waiver ($500 each semester). All New York State awards and minimum award amounts are subject to change or elimination pending New York State legislation.

The New York State Higher Education Services Corporation also administers various scholarship and fellowship programs for undergraduates and graduates. The eligibility requirements for these programs are the same as for TAP grants, with the exception of income limitations. These programs may also have unique requirements that must be met.

Additional information is available at the Syracuse University Bursar Operations Office, 119 Bowne Hall, or contact New York State Higher Education Services Corporation, 99 Washington Avenue, Albany NY 12255; by phone at 1.888.697.4372; or by visiting their website at hesc.ny.gov.

Refunds

If a student drops a course by the financial drop deadline during the fall or spring semester (for summer refer to financial deadline dates on page 3) and has no tuition liability, the remitted tuition benefit or tuition credit for that course will be restored.

SU Tuition Waiver Program

Eligibility

The awarding of the SU Tuition Waiver Program is administered by the Office of Human Resources. It is important to note that the tuition waiver is not automatically activated with a student’s acceptance to the University by the Office of Admissions. For more information on the SU Tuition Waiver Program, please view the Human Resources website, http://humanresources.syr.edu/benefits/tuition-benefits-overview/ dependent/ or contact the Office of Human Resources at 315.443.4042.
Refund Policies

General Criteria for Main Campus students

Students can request a refund resulting from an overpayment by submitting a request via MySlice.syr.edu. Refunds are available by Direct Deposit, pick up at Cash Operations or mail.

Direct deposit is a safe, secure way to receive your refund. It eliminates waiting for your check or any issues with cashing your check. By enrolling in direct deposit (in MySlice), your refund is electronically transferred into your U.S. based checking or savings account. Choosing direct deposit gives you the most secure and most convenient access to your funds. All tuition refunds for withdrawing students are determined by Bursar Operations based on the date of the withdrawal or leave of absence using either our established policies or the federal regulations governing such matters, depending on which policy is to the student's advantage.

The University may exercise the right of offset, meaning that a refund could be subject to adjustment if necessary to ensure University obligations are satisfied.

Students may elect to have excess funds remain on their accounts, understanding that any interest earned on these funds will be retained by the University to be used in its general operation. Students may at any time cancel such a request and receive a refund of excess funds.

LEAVE OF ABSENCE AND WITHDRAWALS FROM THE UNIVERSITY

Any student, prior to the 60 percent point in time in the period of enrollment, who withdraws, drops out, or is suspended or expelled from the institution, or otherwise fails to complete the program on or after his or her first day of classes, will be entitled to a refund of tuition, fees, and other similar charges for attendance calculated on the following basis:

1. 100 percent of tuition, fees, and other similar charges less an administrative fee of $100 will be refunded if the separation from the University occurred on the last day of the financial drop period. 73 percent of tuition, fees, and other similar charges will be refunded if the separation occurs on the day that marks the end of 27 percent of the enrollment period; 66 percent of tuition, fees, and other similar charges will be refunded if the separation occurs on the day that marks the end of 34 percent of the enrollment period; 60 percent of tuition, fees, and other similar charges will be refunded if the separation occurs on the day that marks the end of 40 percent of the enrollment period; 53 percent of tuition, fees, and other similar charges will be refunded if the separation occurs on the day that marks the end of 47 percent of the enrollment period; 46 percent of tuition, fees, and other similar charges will be refunded if separation occurs on the day that marks the end of 54 percent of the enrollment period; 40 percent of tuition, fees, and other similar charges will be refunded if separation occurs on the day that marks the end of 60 percent of the enrollment period.

2. Students who are withdrawn from the University for academic reasons may be eligible for a tuition refund based on the date of the withdrawing using the percentages above.

3. A personal leave of absence/withdrawal must be initiated through the Dean's Office of a student's home school/college.

4. A medical leave/medical withdrawal may be initiated through the home school/college or the Dean of Students Office. If a medical leave/withdrawal is initiated through the home school/college, students must also contact Dean of Students Office in order to complete the request. In order to qualify for the special refund consideration for tuition only that we extend under these circumstances, students must submit supporting medical documentation within 30 days of when the request is initiated. Otherwise, standard University policies will apply. Medical refunds, excluding the administrative fee of $100, will be based on the date that the leave is requested by the student and will be prorated using the total number of class days in the period of enrollment as the base number for the daily calculation.

5. Students who have submitted documentation indicating they have been called to active duty by any of the United States Armed Forces may request a tuition refund and prorated refund of housing and meal plan charges covering the semester for which they are enrolled.

For all financial questions regarding leaves/withdrawals we suggest contacting the Bursar's office at 315.443.2444 or by e-mail at bursar@syr.edu.

Syracuse University recognizes that students may experience extenuating circumstances which lead to financial hardship as a result of a (medical) leave of absence (MLOA) or withdrawal (WD) submitted after the Financial Deadline. In these cases, students may wish to request a review of their circumstances to determine if financial reimbursement or adjustment is appropriate and/or possible.

The Protocol for Appeal of Financial Consideration is designed to promote a comprehensive and consistent response to these requests by units within the University. A Financial Adjustment committee including designees from Registrar, Bursar, Financial Aid, Treasurer, Dean of Students Office, and Academic Affairs will review appropriate requests referred for financial consideration.

Requests that are appropriate for referral to committee must prove extreme and/or extenuating circumstances as to why the action was not taken prior to the Financial Deadline, which may include but are not limited to: death of a parent, medical incapacitation at time of deadline, crime victim, sexual assault, etc. Students must also provide explanation as to the financial impact of these circumstances. The reason for the request must be substantiated by supporting documentation that will be submitted to and reviewed by the Dean of Students Office.

Online students taking a leave of absence or withdrawing from the University are not entitled to a refund of tuition and fees after the financial drop deadline for each semester or online session. In addition, online students who drop a course after the financial drop deadline for that course, are not entitled to a refund of the course under the tuition refund petition.

Tuition refund policies at SUNY ESF do not follow the same schedule as mentioned above. Please see the SUNY ESF handbook, your original bill, or contact the ESF bursar’s office for the SUNY refund policy.

University College

Any University College student who takes an official leave of absence, withdraws, or is suspended from the University, may be entitled to a refund of tuition, fees, and similar charges for attendance, based on the effective day of the leave of absence or withdrawal form.

Adjustments to Federal Financial Aid

Federal financial aid (Title IV funds) for students who withdraw from the University before the semester ends is adjusted according to Department of Education policy. Title IV funds include the Federal Direct Student, Parent and Graduate PLUS loans, FSEOG, Federal Pell Grant, and TEACH Grants.

Title IV aid received is based on the number of days students are enrolled for the semester. During the first 60 percent of the semester, students may receive Title IV aid in proportion to the length of time they are enrolled. A student who withdraws before the 60-percent point may have their Title IV aid reduced. Students who remain enrolled beyond the 60-percent point and are charged full tuition may receive all Title IV aid for the semester.

Adjustments to Institutional Scholarships and Grants

Syracuse University scholarships and grants are awarded according to institutional policy. Students who withdraw before the semester ends may either lose their institutional scholarships and grants or have their institutional aid prorated.

Scholarships and grants are awarded on the basis of full-time enrollment for the full semester.

Refund and Withdrawal/Leave of Absence

In the event that a student takes a leave of absence or withdraws from the University, the student's account may be subject to proration or removal of your financial aid for that term. If the student received a refund based on this funding, any subsequent financial aid adjustments resulting from a withdrawal or leave may result in a balance due on the student's bursar account, which will be due immediately upon departure from the University. Any questions may be directed to the Financial Aid Office at 315.443.1513, or the Bursar’s Office at Bursar@syr.edu or 315.443.2444.

2. The conditions of occupancy are defined in the Terms and Conditions of Student Housing. The occupancy term for single student housing is for the academic year (two semesters—fall and spring).

3. After students pick up their room keys, the following refund schedule is effective if a student withdraws from the University or takes a University permitted leave from housing. Documentation of the student's University permission or withdrawal from the University must be furnished to the Housing, Meal Plan, and I.D. Card Service Center at the time of cancellation.

This applies to students who graduate, participate in an off-campus academic program (e.g., semester abroad), or withdraw from the University.

Cancellation of room selection by students to reside off campus (those students not obligated to the two-year housing requirement) or to commute from home will be assessed a $450 cancellation fee.

FULL-TIME UNDERGRADUATE AND COLLEGE OF LAW STUDENTS

Within First Three Weeks of Classes

There will be no charges or credits for courses added or dropped within the 12 to 19 credit range. Credits added in excess of 19 will be charged on a per credit basis. Tuition for credits dropped outside the 12 to 19 credit range will be credited at 100 percent.

After Third Week of Classes

Charges for courses added or dropped after the financial deadline, which is three weeks from the first day of classes, will be based on the number of credits for which a student is registered on the day of the financial deadline. Therefore:

(1) no credit will be given for credits dropped after the financial deadline;
(2) tuition will be charged for all credits added above 19 credits, regardless of the number of credits dropped.

Example 1

Although you are now registered for 19 credits, you will be charged for 21 credits because you are not entitled to a refund for the 2 credits dropped after the financial deadline.

Example 3
You are registered for 15 credits. After the financial deadline you add a 3-credit course. You are now registered for 18 credits; you will not be charged additional tuition because you remained within the 12 to 19 credit range.

A Syracuse University permit allows only the permit holder and vehicle owner to operate the vehicle. Permits are non-transferable. It is the responsibility of the permit holder to be aware of the parking regulations and abide by them. The purchasing of a permit is deemed to be conclusive evidence that the owner accepts and agrees to abide by the rules and regulations of the Parking and Transit Services Department and Syracuse University.

Vehicle Registration Policies
University parking regulations are approved by the University Parking Advisory Committee, which consists of members of the University faculty, staff, administration, graduate, and undergraduate students.

(1) Resident first year students may NOT possess or be responsible for a motor vehicle while in attendance at Syracuse University. Requests for exceptions to this regulation must be made through Parking Services, 621 Skytop Road. All requests must be made and approved by our office before the vehicle is brought to campus.

(2) Garage permit holders may park in any available space within the garage except those which are marked as reserved.

(3) Students who do not qualify to park in a Main Campus parking lot may park registered vehicles at the Manley Field House or Skytop commuter parking lots for a nominal fee and use the free shuttle bus service to and from campus.

(4) Motorcycles and mopeds are permitted with a permit in certain campus areas. Motorcycles and mopeds must be registered and must be parked only in the recognized motorcycle parking areas.

(5) A Syracuse University vehicle registration does not permit other members of the registrant’s family or friends to operate the registered vehicle.

(6) Students cannot register another student’s vehicle on their permit. Permits are not transferrable.

Permit Refund Policies
CANCELLATIONS
Individuals may cancel their parking privileges by removing the parking permit from the vehicle and returning it to Parking Services. Unwillingness to remove the permit is not a valid reason for not surrendering it. Refunds will be authorized only upon presentation of the permit to Parking Services.

REFUNDS
Refunds will be computed when permits are returned, based upon the posted rates. If an individual has an outstanding balance for violation charges, any credits will be applied to the balance before a refund is issued. No refunds under $10 will be processed.

REPLACEMENT CHARGE
There is no charge for a replacement permit when registering a replacement vehicle or changing lot designation if the old permit is turned in.

If an individual fails to remove the permit from a registered vehicle, or if no permit is turned in when changing lots, there is a replacement charge of $20.

Charges
Any charges and expenses incurred by the University for towing or relocating a vehicle will be charged against the registrant without regard to whether the registrant was operating the vehicle. In the case of nonregistration, the charge shall be assessed against the person who should have registered the vehicle, or, if there is more than one, all concerned will be liable for the charge.

Charges shall become effective on the day issued and are payable within a period of 14 days from the date of issuance. Payment may be made in person by cash, check, or credit card (MasterCard or VISA) at Parking Services. Payment may also be made in the form of a check mailed to Syracuse University, Parking Services, 621 Skytop Road, Syracuse NY 13244-5300. Checks must be payable to Syracuse University. The violator’s copy of the ticket must be included with payment. Failure to resolve outstanding balances may result in additional charges and collection action.

Students may be held responsible for any vehicle registered to any member of their families. It is the responsibility of the students to inform members of their families of the regulations.

The University reserves the right to have the vehicle of any person physically removed (towed) from its campuses or immobilized at the driver’s or registrant’s expense.

Parking information is available upon request from Syracuse University, Parking Services, 621 Skytop Road, Syracuse NY 13244-5300, telephone 315.443.4652.
